

GUARDIAN APPLICATION

Badger Honor Flight would not be successful without the generous support of our guardians. Guardians play a significant role on every trip, ensuring that every veteran has a **safe** and memorable experience. Duties include, but are not limited to, physically assisting the veterans at the airport, during the flight, and at the memorials. Guardians are also responsible for paying their own way (which is currently \$500). Guardians must be under the age of 70, and all guardians are reviewed by our medical team to assure they can safely take care of the responsibilities of being a guardian. Spouses of WWII veterans are not able to be guardians, and cannot come on the flight unless they themselves are also a WWII veteran. As a note, our guardian list is very long and as a lot of veterans take their own guardian, if you are not applying with a WWII veteran your chances of becoming a guardian are fairly low. For further information, please contact us at (608) 616-0243 or www.badgerhonorflight.org. Thank you for your support.
